

A Heartfelt Thank You to My Amazing Teachers

First and foremost, I want to express my deepest gratitude to my **class teacher, Sir Ali Jawwad**, who holds the highest place in my heart. From the very core of my being, I thank you, Sir, for teaching me so exceptionally well that today, I have the confidence to tackle technical problems fearlessly. Your guidance has not only helped me in the world of technology but has also shaped my approach to real-life challenges.

I still remember your invaluable advice:

"Lock yourself in a room if needed, even for a few hours, but treat your laptop as your mentor. Keep trying, keep solving, and never give up."

Sir, I took your words to heart, and today, because of that, I stand capable of solving problems on my own. **Thank you, thank you, thank you!** You are the first teacher who has truly taught me with such clarity, not just providing knowledge but guiding me on how to apply it. Many teachers come and go, but few show the path, teach with dedication, and genuinely care about their students' success—and **you are one of them.**

I also feel incredibly fortunate that I had the opportunity to learn from you **throughout the entire year—both in Quarter 1 and Quarter 2.** If I have reached this stage today, it is solely because of your support, encouragement, and incredible teaching. **From the bottom of my heart, I am grateful to you.**

A special thanks to **all my other teachers** who have stepped in throughout this journey, guiding me whenever I needed help. **This program is not just about learning—it is about growth, support, and unity.** I have witnessed something truly special here: **every single person involved in this initiative wants to lift each other up and walk forward together.** Here, no one lets anyone fall behind; instead, we all move forward hand in hand. And in this unity lies our true success.

A Special Tribute to Sir Ameen Alam

A teacher's presence can change a student's entire learning experience, and **Sir Ameen Alam** has been a guiding force behind us all. He has provided us with unwavering support, ensuring that we never feel lost or discouraged. Because of his mentorship, today, we stand tall with

confidence, proudly saying, **"Yes, we have skills. Yes, we are capable."** Sir, I cannot thank you enough. Your efforts have made an impact that will stay with us forever.

A Huge Thank You to Governor Kamran Tessori Sahab

None of this would have been possible without the vision and initiative of **Governor of Sindh, Kamran Tessori Sahab**. If you had not taken the step to launch this program, we would not have had the privilege of learning from such outstanding teachers. **Your contribution is life-changing, and I will always remember you in my prayers.** Thank you for opening doors for us that once seemed impossible.

Gratitude to Our Inspirational Leaders

Finally, a heartfelt thank you to Sir Daniyal Nagori and Sir Zia Khan—both of you are an **inspiration to us**. Your dedication, vision, and leadership motivate us to push our limits and strive for excellence.

I am truly blessed to have been part of this incredible journey, and I sincerely hope that we continue this learning experience together in **Quarter 3** and beyond, **In Sha Allah**.

Thank you all from the depths of my heart! ❤️
